Subject: Thank you for using HSBC Banking

Dear Customer.

InterNet banking From HSBC means you can access your online accounts 24 hours a day wherever you are in the world.

Now HSBC is proud to announce about their new updated secure system.

We updated our new SSL servers to give our customers a better, fast and secure online banking service.

Due to the recent update of the servers, you are requested to please update your account info .

<https://www.hsbc.net>

<https://www.hsbc.com>

**\*Important\***

We have asked few additional information which is going to be the part of secure login process.

These additional information will be asked during your future login security so, please provide all these info

completely and correctly otherwise due to security reasons we may have to close your account temporarily.

We are sorry for invoice

For help please contact HSBC Customer Service immediately by email at [InternetBanking@hsbc.com](mailto:InternetBanking@hsbc.com)

Thank you for using HSBC BANKING
