Information Regarding Your account:

Dear PayPal Member!

Attention! Your PayPal account has been violated!

Someone with ip address 86.34.211.83 tried to access your personal account!

Please **click the link below** and enter your account information to confirm that you are not currently away. You have 3 days to confirm account information or your account will be locked.

Click here to activate your account

You can also confirm your email address by logging into your PayPal account at <http://www.paypal.com/> Click on the "**Confirm email**" link in the Activate Account box and then enter this confirmation number: 1099-81971-4441-9833-3990

Thank you for using PayPal!
The PayPal Team

Please do not reply to this e-mail. Mail sent to this address cannot be answered. For assistance,

PayPal Email ID PP391

Protect Your Account Info

Make sure you never provide your password to fraudulent websites.

To safely and securely access the PayPal website or your account, open a new web browser (e.g. Internet Explorer or Netscape) and type in the PayPal login page (<http://paypal.com/>) to be sure you are on the real PayPal site.

PayPal will never ask you to enter your password in an email.

For more information on protecting yourself from fraud, please review our Security Tips at <https://www.paypal.com/us/securitytips>

Protect Your Password

You should never give your PayPal password to anyone.
